Dear Sister Elizabeth.
Received your letter some
time ago and was
happy to hear from you.
I wrote mamma some time
ago and expect the letter
will reach home before this
one. Elizabeth it is fine to
hear from you as the news
come fresh from the N. E.
press. I hope you have
your raise in salary by
this time, or made a better
position at the N. U. for you
deserve it no doubt. So
Electa + Rigler are married.
I always thought that was
the way it would wind
rest missing
