Dear Bro Wm

Just rec your letter today along
with one from home, and was
very glad to hear from you again.
Well Willie am glad to hear you
are well and will try ~~and~~ slip
down your way if I get a pass.
A big percentage of the men in
the outfit are getting passes to
Coblenz lately. I hope to get one
real soon and will get it extended
so I can come down if possible.
Everything is about the same with
me. We are going through the
everyday routine caring for the

horses doing a little squads
right and playing games etc.
The big talk around here lately
is about going home but the
bottom generally drops out when
the time comes so I have give
up hopes. Both of our majors
have left us and went to the
26th Div who are going to the
states soon I understand.
Carl Quick is still at Tunstun
but Bill Anderson is a civilian
working in D.C. "lucky bird"
Frank Hudson should put on a
uniform and help break up the

street car strike in D. C. maybe
he could win himself a D. S. C. ha!
Willie you know Carl Kirkman
he was in our town a few days
ago. he is a Lieut. Dutch Smid
is a Lieut also Brunk Davis. pretty
good don't you think. Alice + Edith
got a touch of the Influenza
and was in bed for some time
did she tell you. The last letter
they were better she said. Well
wellie there is little to write about
so I close. I rec your other
letter and post card. my xmas

has not come yet, it must
be lost or some guy snatched
the candy and finished at
Lee Peterson, Bill Blackman
Tom Donaway and a few old
her boys you know are still
here. come over if you can
It is 9 p.m so good bye
and good luck

Your bro
George
